

ROMANS & CURTAINS

Tree of Life Teal curtains with Molly Coral Roman blinds

ROMANS & CURTAINS

Add something special to your windows with our iconic collection of curtains and Roman blinds. Contemporary prints, stylish patterns and timeless plains all feature in this collection, as well as our WOW factor Capsule Collection, Secret Garden.

Our choice of accessories, poles and finials for curtains allows you to create a completely personalised look for your windows; we also offer co-ordinating or contrasting cushion covers available in all fabrics from the range.

Make your Roman blinds motorised and control them with a touch of a button, or choose Smart for voice control or app operation. Take a look at our Accessories booklet for all options available.

RECYCLED FABRICS

We have fabrics made from recycled polyester for a more sustainable choice, just look for this icon in the Fabric Directory.

CURTAIN
HEADER TYPES

Choose from six curtain header types to help structure the look of your curtains.

Wave

A contemporary heading style which creates soft, wave-like folds.

Pencil Pleat

This curtain header type gathers the fabric for a luxurious feel.

Double Pinch Pleat

The top of the curtain is sewn in pleats for a more laidback look.

Eyelets

A modern design that provides large, even curtain pleats. Choose from complementary eyelet colours to match your curtain pole.

Deep Pencil Pleat

A deeper heading than the standard pencil pleat, this header type is better suited to longer drop curtains.

Triple Pinch Pleat

A more formal, decorative header type with pleats sewn in.

Felicity Greenery curtains on an Antique Brass Metal Pole

Motorisation with Somfy

Create the perfect solution for your home and upgrade to motorised to control your Roman blinds with a touch of a button; add Smart options for increased convenience. The Somfy Smart Hub allows for app and voice control, the Wall Switch and the 5 and 16 channel remotes allow control of all motorised blinds with a touch of a button, and the Solar Panel helps to elongate the time between charges.

LININGS

Linings

Our curtains and Roman blinds come with lining as standard, however we have optional upgrades that give your window coverings more practical benefits.

Roman blinds

Standard

A standard lining helps protect your Roman blind fabric from the sun and can aid with filtering light.

Interlining

Interlining makes your Roman blind slightly more padded and has additional thermal properties to make it energy efficient.

Blackout

If you want to ensure no light gets through, blackout lining is the perfect option. It can also help provide extra warmth and privacy.

Curtains

Standard

A standard lining helps protect your curtains fabric from the sun and can aid with filtering light.

Thermal

Thermal lining for curtains is created with thicker sateen twill fabric, which helps reduce the loss of heat through your windows.

Blackout

A blackout lining on your curtains is ideal to keep the light out. Two layers of sateen twill fabric are bonded around a black membrane to provide a complete blackout function.

Roman & Curtain Specification Sheet
